

This year we are partnering with a coffee company called 41&Change Coffee Co. 41&Change is a coffee company owned and operated by Young Life. They produce award winning coffee at La Finca, a Young Life camp and farms in the mountains of Nicaragua.

Your coffee purchase will help send those involved in Libertyville-Vernon Hills Young Life, Wyldlife, or Capernaum go to camp. Follow the instructions below to make a one time purchase or subscribe to receive your coffee monthly! By purchasing coffee from 41 & Change coffee co. you are helping kids experience one of the best weeks of their lives!

Step 1: Click or type in the link below:

<http://www.41change.com/young-life/libertyville-vernon-hills>

Step 2: A page like this should pop up on your web browser.

Step 3: Once on this page click the button that says “Donate to this Area”. Where it says, “suggest designation” you have the opportunity to donate to a specific child’s camp fund. For example, if you write "John Doe" then we will know who to designate that camp money to. If no name is added to the suggested designation then we will just add it to general camp scholarship fund.

Step 4: After clicking the donate button you should get a confirmation saying your donation preferences will be saved and all donations will be given to our area.

Ordering is easy. Once you've tasted 41 & Change's exquisite coffee offerings, we're confident that you'll want to make us a regular part of your day.
